Product data sheet for uvex athletic lite xt

The uvex athletic lite xt assembly gloves in a comfortable slim-fit design allow precision work with high levels of wearer comfort. The slim ergonomic fit allows the wearer to feel and grip workpieces very effectively. The fine-structured, open-pored microfoam coating makes the gloves very breathable, which reduces excessive perspiration. In addition, the product is suitable for industrial washing, is suitable for use with foodstuffs and is equipped with protection against contact heat up to 100°C. Thanks to touchscreen compatibility with all common screens, tablets and mobile phones, there is no need to take off the uvex athletic lite xt.

Features

- high level of sensitivity
- Long service life
- Excellent touchscreen capability
- Extremely flexible
- Very good breathability

Suitability for industrial working environments

- Suitable for dry and slightly damp work environments
