- Neon / Orange

PRODUCT HIGHLIGHTS

- Round-neck comfort
- Retroreflective striping
- Secure front zipper

Actual product · Neon / Black

OVERVIEW

Comfort-focused high-visibility vest with a round neckline, fluorescent neon fabric and silver retroreflective bands. Lightweight polyester construction supports everyday wear, while the zip-front design and useful pockets suit operational teams working indoors or outdoors.

KEY FEATURES

- ✓ Comfortable round neckline to reduce collar friction
- ✓ Fluorescent neon body and contrast black panels
- ✓ Silver retroreflective bands for low-light visibility
- ✓ Lightweight, breathable 100% polyester fabric
- ✓ Zipper front and practical storage pockets

APPLICATIONS

- ✓ Construction and civil engineering work
- ✓ Warehouse and loading-dock operations
- ✓ Traffic, parking and event management
- ✓ Industrial maintenance and facility patrols
- ✓ Outdoor utilities and field inspections
