HyFlex®

ADVANCED MECHANICAL PROTECTION

70-118

Gauge 24 Kevlar® knitted sleeves. cut resistance, Thermal protection for brief periods.

Previously known as: Neptune® Kevlar®

Cut | Medium Duty

Kevlar®-lined arm protection sleeves, ensuring cut resistance and heat protection

- **Elevated comfort:** HyFlex® 70-118 protective sleeves are manufactured with 100% Kevlar® para-aramid short fibers and an automatic knit liner, delivering superb comfort
- **Advanced defenses:** Their Kevlar® para-aramid short fibers also ensure heightened cut resistance and contact heat resistance up to 100°C/212°F
- **Enhanced features:** These arm protection sleeves also boast a convenient thumbslot, offering them a more secure fit and enhancing wrist protection

Industries

- Automotive
- Metal fabrication
- Machinery and Equipment

Applications

- Press shop operations
- Assembly & inspection of components
- Applying sealers, touching up
- Equipment repair & maintenance
- Cutting glasses, sheets, panels
- Seizing structural and body parts
- Adjusting systems and screwing
