PRODUCT DATA SHEET

albatros MADE TO PROTECT

TARAVAL BLACK/BLUE MID S3L ESD FO SR

Art. No. 63.804.0

Protection:	fiberglass toe cap and flexible FAP® midsole
Upper:	durable microfibre
Plus:	Heel & Arch Support, two-width system, extremely lightweight
Lining:	BreathActive functional lining
Footbd:	evercushion® RELIEF^{T}
Sole:	FLEXLITE - slip resistant DUO-PU and TPU outsole with midsole of continuously high performance EFFECT.FOAM® for excellent cushioning and energy return
Sizes:	36 - 50

FAP FLEXIBLE ANTI-PENETRATION EFFECT.FOAM

COMPOSITE SLIP RESISTANT BIG SIZES VEGAN UNISEX METAL FREE ESD

FLEXLITE OUTSOLE

The noticeably light and ergonomic sole architecture with differently sized lugs and curved grooves ensures optimum liquid displacement and supports a natural rolling movement. Wear-resistant TPU inserts in the areas subject to the greatest strain and reinforced arch support ensure a secure grip, especially on industrial floors. The distinctive heel enables outstanding grip on ladders.

EFFECT.FOAM®

EFFECT.FOAM®

Tireless comfortable!

- 60% energy return
- 47% less impact on bones and joints*
- extremely powerful and light
- permanently high level of comfort for fatigue-free work

* Dynamic energy absorption reduces the impacts to 1.6KN, the average for safety shoes is 3.0KN.

HEEL & ARCH SUPPORT

The three-dimensional element formed directly from the EFFECT.FOAM midsole surrounds the heel and supports the midfoot. This ensures maximum hold, protects against ankle twists while also enabling a natural rolling movement of the foot.

EVERCUSHION® RELIEF^{T}

This ergonomically shaped, high-performance footbed is a combination of different soft polyurethane layers. It reliably protects the heel from shock, withstands even the most strenuous daily demands and guarantees long-lasting comfort and performance.
