

About Us:

Al Waqia Shoes Co. LLC was founded in 1996 and is the only manufacturer of safety shoes in the Sultanate of Oman. Additionally, we are one of the leading manufacturers and exporters of safety, military and uniform footwear in the GCC.

Our mission is to provide the organisations with a high quality product to keep their employees protected and safe.

Hence, our "WAQ" shoes are crafted, designed and manufactured in compliance with European Standards (EN ISO 20345:2011) by using the most advanced tech-machinery; Kloeckner DESMA.
